## ALUMINI ENGAGEMENT

Alumni play a crucial part in the operation and success of academic institutions by providing support for developmental initiatives and serving as role models for students in future cohorts. The institution has developed the Alumni Cell to harness the unwavering power of the alumni and enhance the connection between them and the alma mater. Strong connections are fostered and advanced between the institution and its alumni, as well as among the alumni themselves. The Alumni and its activities are assembled at the departmental level. The department alumni strive to foster and cultivate amicable relationships among all alumni members, as well as a concern for the institution's affairs and well-being. The institution at present has an alumni network via WhatsApp groups at the department level which furnish and distribute information to the alumni concerning their alma mater, its faculties, students, and graduates, and keep them updated round the clock. The Alumni functions as a platform where providing support to the progression of academic excellence at the institution. Alumni reunion events are organized in the campus.

Alumni have made contributions to the institution

- As resource persons at seminars and workshops conducted by the institution
- Contributed towards the enhancement of ICT enabled classrooms
- Fostering independent thought and creativity
- As govt. appointed faculty sharing their knowledge and expertise with the new generation of learners
- Supporting the extension activities of the institution

As goodwill ambassadors of the institution, they serve as an intermediary connecting the institution and the broader society.
