

GOVERNMENT COLLEGE MOKERI

Mokeri (P.O), Kakkattil(via)Kozhikode, Kerala, Pin-673507
(NAAC Accredited with 'B+' Grade)

Ecosystem for Innovations, Creation and Transfer of Knowledge

The establishment fosters an environment that is optimal for the advancement of innovation. All necessary amenities are made available, and students are provided with guidance. Active student participation in the application of technology to address societal requirements is highly encouraged. In addition to social services, the annual performance appraisal system incentivizes faculty members to improve their research, teaching, and administrative abilities in order to attain the desired level of progression. Faculty members are encouraged to engage in professional development initiatives, including the coordination and participation of conferences, seminars, and workshops.

College has a recognized Research Center. Promoting interdisciplinary research is the mission of the institution. The institution also has an interdisciplinary research journal *Crosswaves*. Students and faculty are encouraged to participate in developmental and research endeavours by making use of available resources.

ENTREPRENEURSHIP DEVELOPMENT CLUB

It encourages merging a relationship between the industry and the institution. Individual department interacts with industry to ascertain its needs to fill the gap in curriculum. The gap is filled by arranging workshops addressed by industry personals. Industry institution relationship works in the following areas:

1. Industrial visits for students
2. Conduct Workshops, Seminars

The institution consistently provides motivation, support and platform for students to showcase their skills and knowledge in various competitive technical events.

GOVERNMENT COLLEGE MOKERI

Realizing the importance of giving motivation to students by a successful entrepreneur Meet the Entrepreneur was organized.

COMMUNITY ACTIVITIES

Besides the NSS unit, clubs and [CoK](#), departmental outreach activities were promoted by the institution. This benefited the less privileged and marginalized section of society especially during Covid19 and Floods. It also brought awareness on health issues and contributed in improving the quality of education. The college served as FLTC during the Covid times.
