

## REPORT-NATURE CLUB-2023-24

### GOVT. COLLEGE MOKERI

#### Introduction

The Nature Club at Govt. College Mokeri is a student organization dedicated to promoting environmental awareness, conservation, and sustainable practices among students and the local community. The club organizes various activities and initiatives to foster a deeper connection with nature and inspire positive environmental action.

#### Mission

The Nature Club's mission is to:

1. Raise awareness about environmental issues and conservation efforts.
2. Encourage active participation in eco-friendly practices and initiatives.
3. Promote biodiversity conservation and protection of natural resources.
4. Foster a sense of responsibility towards the environment among students and the community.

Activities and Initiatives:

1. **Tree Plantation Drives:** The club organizes tree plantation drives in association with NSS on campus and in surrounding areas to increase green cover and promote environmental sustainability.

*Tree Plantation*

2. **Clean-up Campaigns:** Regular clean-up drives are conducted in association with NSS to maintain cleanliness in and around the college premises.

*Monthly cleaning drive-June*

Monthly cleaning drive-July

*Monthly cleaning drive-August*

Monthly Cleaning drive-September

*Monthly Cleaning Drive - October*

Monthly cleaning Drive -February

- 3. Eco-friendly Events: The club promotes eco-friendly practices during college events and festivals, such as using biodegradable materials and reducing waste generation.**

Future Plans: The Nature Club aims to expand its activities and outreach in the coming years by:

1. Organizing guided nature walks to explore local ecosystems, biodiversity hotspots, and natural heritage sites.
2. Organizing workshops and seminars to educate students and the community about environmental issues, conservation methods, and sustainable living practices.
3. Implementing more sustainable practices on campus, such as rainwater harvesting and solar energy utilization.

## Conclusion

The Nature Club at Govt. College Mokeri plays a pivotal role in promoting environmental consciousness, conservation, and sustainable development. Through its diverse activities, collaborations, and achievements, the club continues to inspire and empower students and the community to protect and preserve the natural world for future generations.
