

## **REPORT OF FILM CLUB ACTIVITIES - 2019 -20**

Government College Mokeri, has an active film club that has been functioning efficiently for several years. The state-of-the-art film theatre in the college had always enabled the film club to organise film screenings in the past with successful public participation. The club also designed and executed effectively several activities for the academic year 2019-20. Following are some of the major events of this year.

Activities of this year started off with a Welcome Meeting for the new members. The meeting, convened on 04/07/2019 afternoon was attended by previous and new members.

One-Day Workshop on the topic Language of Cinema was conducted in the college theatre on 09/10/2019. Students were given an introduction to the evolution of film language.

Lecture series, comprising five lectures, based on the topic Film Techniques was organised in the month of November. The lectures were of great help for the III BA Functional English Students who have a core paper on Film Studies for their last semester.

College Film Club decided to restart the weekly screenings of world cinemas of masters.
