

GOVERNMENT COLLEGE MOKERI

Mokeri (P.O), Kakkattil(via)Kozhikode, Kerala, Pin-673507
(NAAC Accredited with 'B+' Grade)

STUDENT ENGAGEMENT

The College administration firmly believes in participative working and student-co-partnership. Students are represented in almost all the committees, associations of the College. Committees/clubs are operational in the college have student representation in them revealing engagement in various administrative, co-curricular and extracurricular activities. Class representatives as well as the College Union represent any issues related to academics/non-academics to the Principal/HoDs/Tutor. Principal as well as the Head of the Department interacts with classes/students during the semester. Departments organize activities through clubs and forums functioning at the department level. At the institutional level clubs have student representatives and are monitored by a faculty coordinator.

The college is very responsive to the student-related activities and assigns utmost importance to them. Students have strong representations in all cultural and sports committees. They help in organization and management of events. The students are given opportunities to organize various activities like Republic Day, Independence Day, Teachers Day, Sport's Day, Literary events, cultural events etc. It provides a platform for students to express their views on issues concerning them.

College Union voices the needs of the student community. The Union Chairman organizes student activities and events. Officially represent all the students in the College. The Union Chairman and the Union Secretary organize various curricular and co-curricular events of the College and work with students to resolve their problems. Majority of participate in [NSS/CoK](#) Activities, Fine Arts, College Union Elections and activities, [Sports](#), [Cultural activities](#) in the institution.
