

Government College Mokeri Observes Vayogana Dinam with Elderly Care Pledge -01/10/2024

Government College Mokeri celebrated Vayogana Dinam (Elder's Day) with a heartfelt oath-taking ceremony, reaffirming the importance of caring for the elderly. The event was inaugurated by the Principal Sri. Ashraf Koyilothan Kandiyil.

Key Highlights:

- Inaugurated by Principal, Government College Mokeri
- Oath-taking ceremony by students and staff
- Pledge to care for and support elderly community members
- Emphasis on intergenerational bonding and social responsibility

During the ceremony, participants vowed to:

- Respect and care for elderly individuals
- Spend quality time with seniors
- Support their physical and emotional well-being
- Promote dignity and inclusivity for all ages

The Principal stressed, "Our elderly are treasures of knowledge and experience. It's our duty to show gratitude and compassion."

The event aimed to:

- Raise awareness about elderly care and social isolation
- Encourage community involvement in supporting senior citizens
- Foster empathy and understanding among younger generations

Government College Mokeri's Vayogana Dinam celebration demonstrated the institution's commitment to social values and community service.

National Voluntary blood donation Day – 01/10/2024

Government College Mokeri celebrated Voluntary Blood Donation Day with an oath-taking ceremony and an awareness program, promoting the noble cause of blood donation.

Key Highlights:

- Oath-taking ceremony by students and staff
- Awareness class conducted by Shivakrishna B S, Joint Secretary, Be Positive Blood Donation Group
- Emphasis on importance of voluntary blood donation
- Encouragement for students to become regular blood donors

The awareness class highlighted:

- Benefits of blood donation
- Eligibility criteria and safety measures
- Need for regular blood supply in hospitals
- Importance of voluntary donation vs. paid donation

Shivakrishna B S stressed, "Every drop counts, and voluntary blood donation saves lives. We urge students to become lifelong donors."

Objectives:

- Promote voluntary blood donation among youth
- Dispel myths and misconceptions about blood donation
- Encourage community involvement in blood donation initiatives
- Support the national goal of self-sufficiency in blood supply

The Principal appreciated Be Positive Blood Donation Group's efforts and commended students for their enthusiasm.

Quotes:

- "Blood donation is a noble act that saves lives." - Principal, Govt. College Mokeri
- "Empathy and compassion drive our mission to promote voluntary blood donation." - Shivakrishna B S, Be Positive Blood Donation Group

Government College Mokeri's Voluntary Blood Donation Day celebration demonstrated the institution's commitment to social responsibility and community service.
